Naturist campsite De Peelrand is an association site and stands for peace, a pleasant stay, but also for activity and conviviality.

From May to October, you can enjoy the solar-heated swimming pool. There is also a sauna.

There are many outdoor and indoor play opportunities for young people on the Peelrand. For the older youth there is a youth club and there is the possibility to camp in the youth forest.

Activities are organised on a regular basis.

The Prettig Bloot label on the wall

Locations with a Prettig Bloot label have made agreements with NFN Open & Bloot about the five core values: safety, freedom, respect, openness and hospitality. You can enjoy safe and pleasant nude recreation at locations with this label. Naturist association De Peelrand has received this label from NFN.
