La Basse Royauté is a small-scale, peaceful (naturist) campsite in the heart of the French countryside. Here, everything revolves around simplicity, nature, and relaxation. No mass tourism, no crowds, but space, silence, and a warm, personal atmosphere where you will quickly feel at home.

Our grounds are characterized by lush greenery, old natural stone elements, and various spots where you can sit, read, or simply do nothing. Whether you arrive with a tent, camper, or caravan, you will always find a nice spot in the sun or shade.

For camper travelers, we also have two paved pitches, equipped with electricity and atmospheric lighting. This ensures you are comfortable and stable, in every season. We also have 2 camping pitches for tents, trailer tents, or caravans.

Additionally, we offer atmospheric accommodations for those seeking just a little more comfort:

The Orangerie
A bright, charming space with an open and natural atmosphere. Ideal for those who love peace, light, and a touch of elegance. Featuring a private seating area right outside the door, a small kitchenette with a water heater, coffee maker, and kettle. The Mansarde

A cozy room under the garage roof, featuring characterful beams and a warm atmosphere, perfect for an intimate and relaxed stay. This room also features a coffee machine and kettle.

Guests staying at both the campsite and the accommodations use our central sanitary facilities, which are well-maintained, clean, and comfortable.

The Atmosphere
What makes La Basse Royauté special is the atmosphere.
Small-scale, personal, and informal.
Many guests come here to truly get away from the hustle and bustle and reconnect with nature and with themselves.

Nothing is mandatory, everything is allowed. Just be, in your own way.

We extend a warm welcome to you,
Frans & Esther
