The Jardin Des Hirondelles is a B&B open to naturists from 15 May to 15 October. Come and enjoy the swimming pool and its sun loungers around it. Have a refreshing drink at the "honesty bar" and stroll unnoticed around the domain. In the morning you can enjoy a full breakfast including home-made bread, eggs from our own chickens and jam from small regional producers. We offer both lunch and dinner against payment so you don't have to dress up to get something to eat.

For less hot days, we have a relaxation room where you can watch TV, read a book from the library or play a board game. In short, we do everything we can to make your holiday carefree and relaxing.
