The structure consists of 2 apartments and "Aer" and "Gea" (ground floor and first floor) of new construction, fresh, independent and very bright. Both air conditioned. All windows are equipped with mosquito nets to enjoy the cool night without the inconvenience of bad and mischievous insects. We remind our customers that our B&B is managed by our family and so your check in and check-out must be agreed beforehand.

GEA: the first apartment, on the ground floor, can accommodate up to 5 persons. There is a bathroom, a

small bedroom with a double bed and a single bed; a living room with kitchen; a comfortable 2 seater sofa bed, a table and chairs for 4 people, fridge with freezer. There is a terrace in front of the living room and it's connected by a sliding glass door, it is ideal for your outdoor dining. AER: the other apartment, on the first floor, can accommodate up to 4 people. It has a bathroom, a bedroom with double bed, cupboard; a living room with kitchen, balcony with shutters and mosquito nets, and a comfortable 2 seater sofa bed, table and chairs for 4 people, fridge with freezer Both kitchens have pots, dishes and all you need for cooking. The energy we need, comes from solar panels and photovoltaic system both installed on the roof. The garden just around our accomodation (800 sqm) has a large lawn, a pool of 7x4m and you can accommodate even up to 5 tents that

can be planted directly on the lawn around the pool under the shade of olive trees. We provide our guests with tents already assembled or you can assemble on your own. If you choose our tents you can enjoy following services: – beds, – table with chairs and kitchen – linens / towels – exclusive use of a block bathrooms .
