Our campsite is located in the middle of a nature reserve and in a wooded area, which is great for cycling for young and old. The campsite is 4.5 hectares and has 32 guest places. These can be reserved on the website. The tent, caravan and motorhome pitches are equipped with electricity. Pets are welcome if kept on a lead. The two spacious sanitary buildings are adapted for people with disabilities.

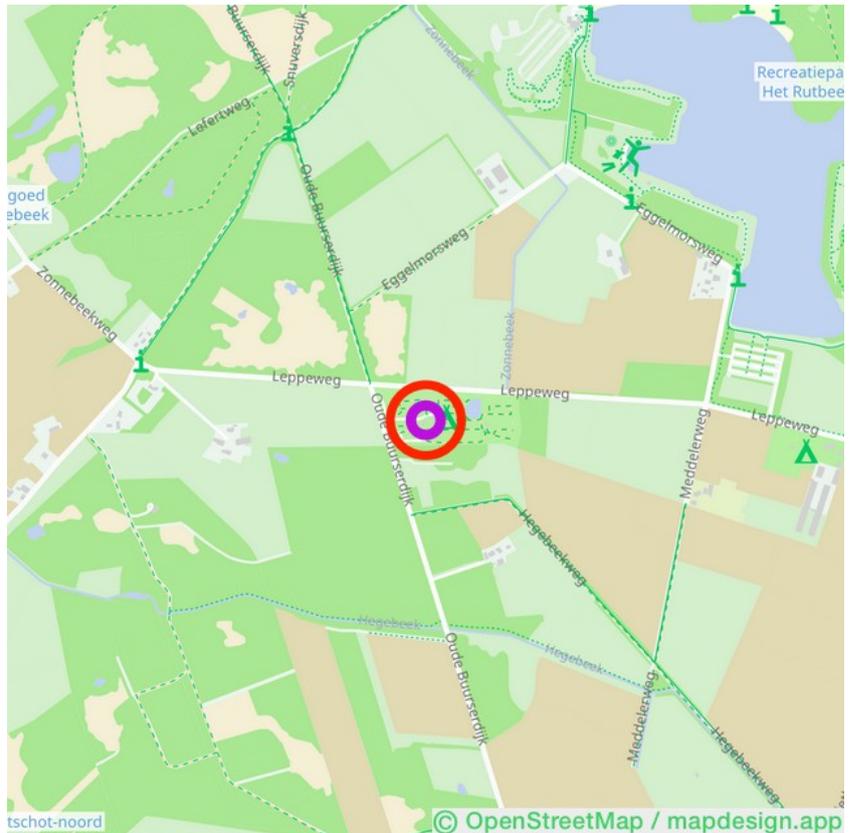

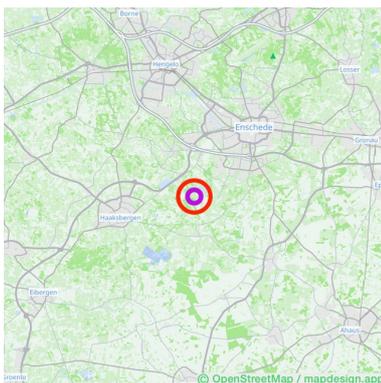

On site is a beautiful spacious play/swimming pond with a sandy beach, a joy for children to play. You

are responsible for the supervision yourself. The bathing water is checked regularly.

Our accommodation is equipped with a wonderful sauna, for opening times, see the activity board. In addition, there is a possibility for washing, drying, ironing, freezing and cooling. The bar is open regularly and ice and chilled drinks are available.

There is a cozy youth center for the older youth, and a special craft/play corner has been set up for the smaller youth.

The campsite is car-free, parking is possible in the general, closed parking lot. There is a bicycle charging point in the bicycle shed. A (valid) INF/NFN card is required, reservations can be made by online on the reservation page on the website, thus avoiding disappointment.
