St Annes is a comfortable rustic campsite in Dorset. Caravans, tents and day visitors are all welcome but phone first to make sure there is space. The site is only 12 miles from Bournemouth and the naturist beach at Studland is not much further, Also close by is the New Forest with miles of walking and cycling room. Lots and lots of other local attractions. Come and enjoy a lazy holiday doing nothing but laying in the sun, or a busy holiday out and around.
