Naturist campsite Le Marcassin in the Dordogne: there you can get away from it all. A place to enjoy and to do nothing. Peace and space. The Dordogne is a beautiful, hilly landscape where you can enjoy walking, cycling or running. Or settle down on a terrace of such a typical French village, or enjoy a day at the tent. Read that book that you never got around to, take a swim, eat an ice cream, have a chat on the terrace. In short, coming to yourself, feeling that you are happy with life or reflecting on how you want life a little differently. Camping Le

Marcassin offers you the ideal

environment for this. Two movies of

About naturist camping Le Marcassin

Where once there was a farm,

naturists now enjoy this beautiful,

natural and quiet part of France. A

small-scale, quiet, atmospheric

naturist campsite in the southeast of

the Dordogne on the border with the

Lot. The 1.3 hectare site is playfully

and naturally decorated. The pitches

are spacious and green, shady or with

a lot of sun, something for everyone.

Naturist camping Le Marcassin has

21 camping pitches and rents out

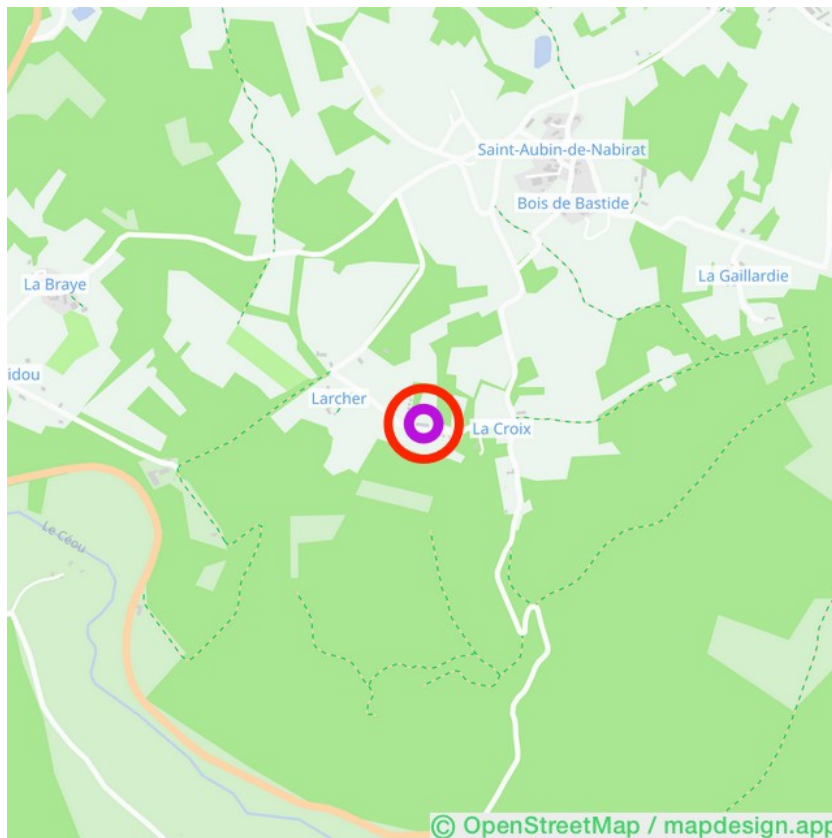

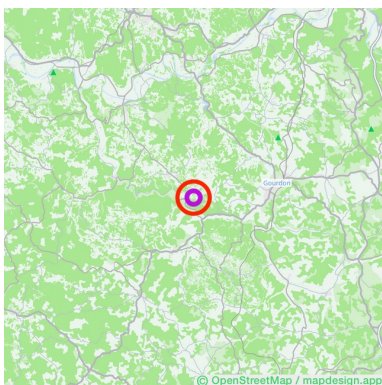

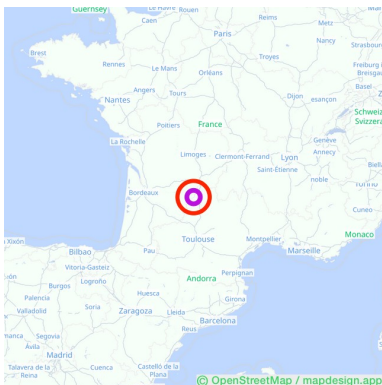

three fully equipped chalets. One of

the three has its own toilet and

shower. The other two use the

nearby sanitary facilities of the

campsite and are therefore also

cheaper. There are also two fully equipped Karsten tents for rent. Le Marcassin does not specifically target children. Parents with children are very welcome, but the site has no facilities for children.

Facilities naturist campsite Le Marcassin

Le Marcassin has two sanitary buildings. One with 4 showers, washbasins and three WCs. In addition, a small building that is suitable for the disabled. You can cool off in the pleasant swimming pool (12 x 6 m, 1.40 m deep), before having a drink on the terrace, eating an ice cream or relaxing on a sun lounger.

Surroundings naturist campsite Le Marcassin

The Dordogne is beautiful, but the area near Le Marcassin is the most beautiful, according to the owners. Near the beautiful town of Domme, where you have a beautiful view high above the Dordogne river. From Carsac you can enjoy an afternoon canoeing to Cenac, Beynac with its beautiful castle is nearby, the pleasant town of Sarlat is half an hour and the medieval towns of Montpazier and Rocamadour are a 45-minute drive away. Furthermore, Les Eyzies with caves where Neanderthals used to live. If you're a walker or cyclist, you don't have to go anywhere by car: straight out the gate you can indulge yourself, walking on small paths and cycling on low-traffic, hilly roads with beautiful views. The library is full of tips in every area and you can also borrow a book.

In short: welcome in this naturist paradise! This place will always remain, in whatever form, and the owners feel like passers-by who can take care of it and give it a bit of their color, together with their guests.
