Five acre members club welcomes visitors and new members.

The club grounds are split into four different areas. The gate field has three static caravans and space for 2/3 camping pitches. The top field has sixteen static caravans and space for 8 tent and 4 motorhomes or touring caravans. The cottage and surrounding amenities and the woods. All camping areas have well maintained grass pitches. Each static 'van owner stamps their own individual personality on his surrounding domain. You'll be intrigued by the topiary of the 2

metre high oak trees and other specimens formed and maintained by our members. Formal gardens are, in general, confined to the pool and cottage lawn. The woods are accessed via a steep path, a gentle gradient, slippery steps cut into the sandstone or a grassed sandstone cliff. The trees are surrounded by a mixture of ferns, unkempt grass, bluebells and daffodils in season. Various permanent benches and picnic tables are littered around offering peaceful views, welcome rest or just somewhere to eat. Hot tub, Wifi and television added for 2013
