Welcome to the naturist campsite Les Fourneaux

An oasis of tranquility, space and nature in the beautiful heart of France.

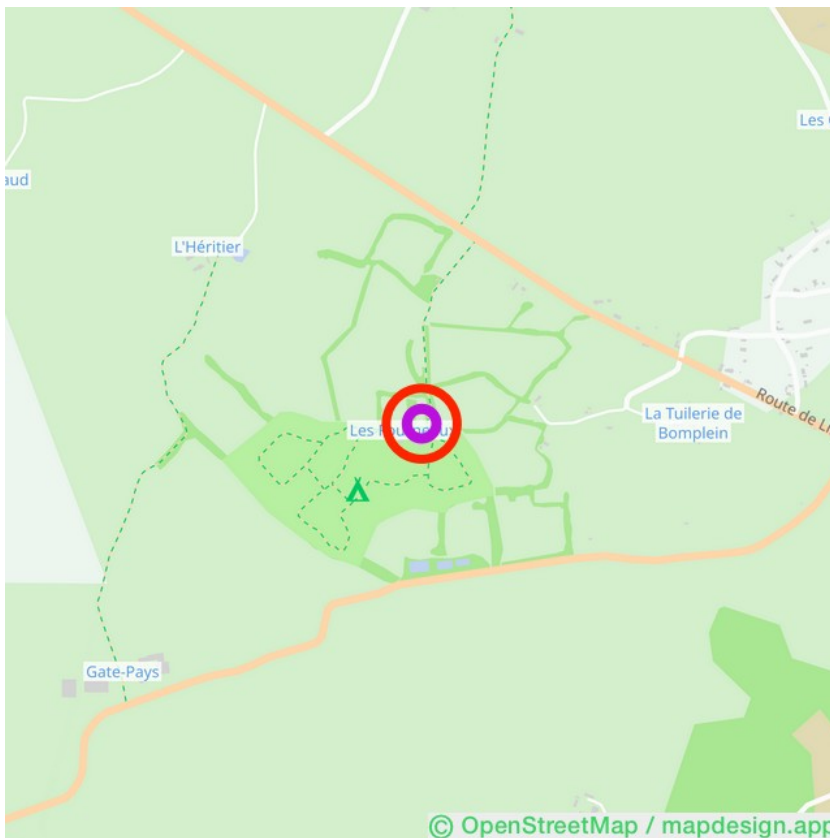

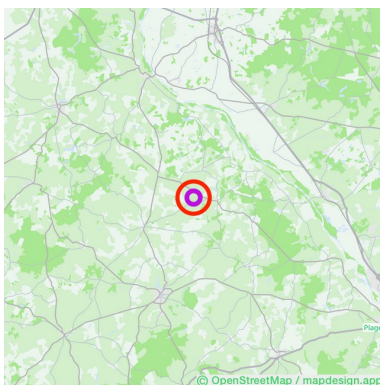

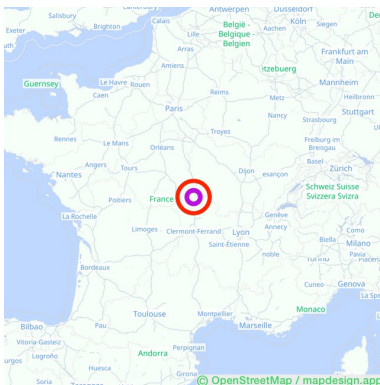

Our 106 acres naturist campsite is located in the heart of France. The site consists of a number of large and smaller fields, bordered by wide hedges of hawthorn, juniper berries, bramble bushes and large shady oaks and ashes. The pitches, separated by trees and shrubs, range in size from 400m² to 1500m². Because of this, the site retains its tranquility and

relaxed atmosphere. Next to the campsite we also have a 2 persons gîte.

Families with children are more than welcome. We have a large family field with a playground for the children and enough space to play and have fun. There is a new sanitary block where all the facilities for children are present and a children's pool is built last year. The remaining fields are for the peace-seekers among us.

We invite you to come and view the site and nature with your own eyes!

We're open from april 1 to october 15.
