A small, very calm site of 26 hectares, with hills, woods and meadows and of course "1001 flowers". Millefleurs is close to Spain and Andorra with a view of the Pyrenees in the still unspoiled nature.

Discover the Cathar region, the underground rivers, the caves and the picturesque and historic towns of Mirepoix, Foix or Carcassonne.

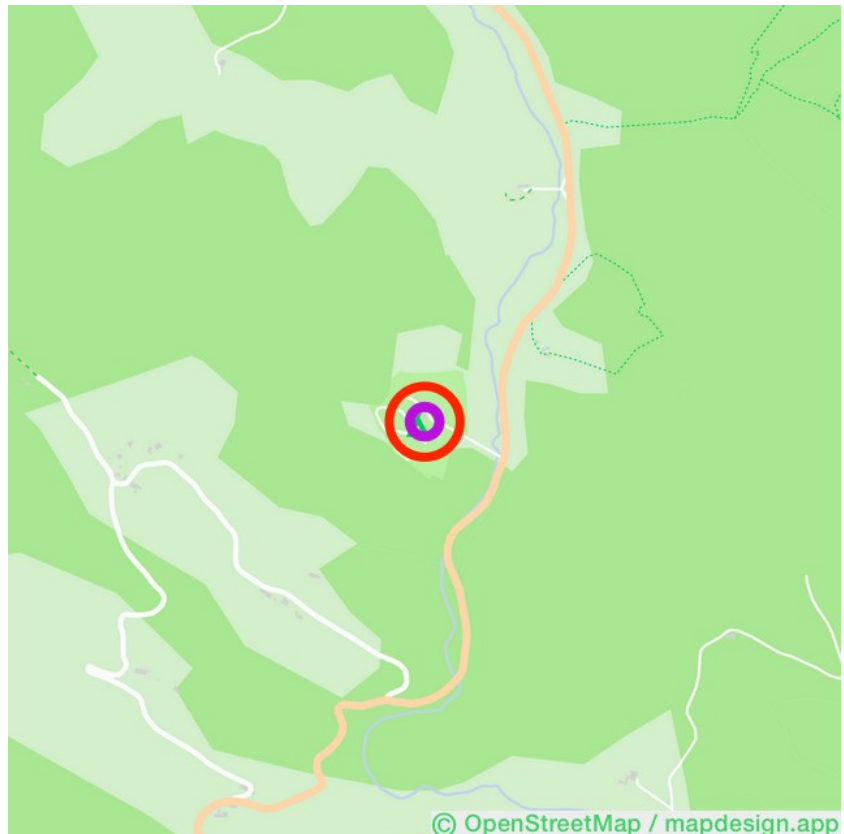

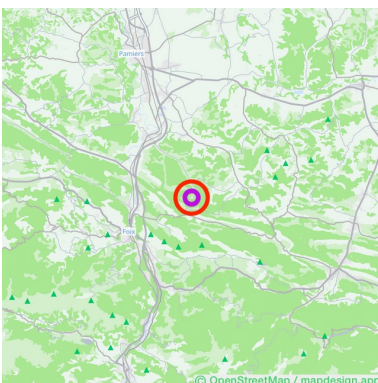

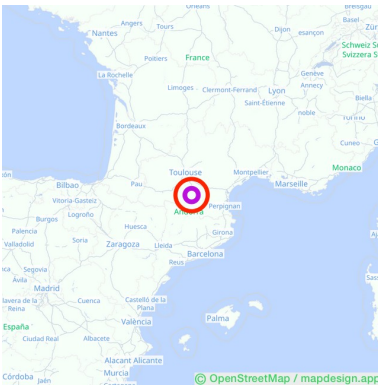

The Millefleurs naturist paradise has 45 spacious and flat pitches on grass or in the woods, rental (3 caravans for 2 people, 2 safari tents for 5

people and 1 mobile home for 4 people). All these sites have an electrical connection. Apart from these pitches there is enough space on site to camp with a tent / caravan at another location and to explore nature. You have 3 naturist paths inside the campsite on the side of the mountain where you have a panoramic view of the mountains. You can retreat to the forest, to a hammock and read a book or to enjoy the silence and nature. All places are easily accessible for caravan and motorhome. Open from April 1 to October 31.

Reservation is not necessary but recommended. Language at reception: French and English. Pets are welcome. Also suitable for people with disabilities.
